

TRIDENT BRANDS SUBSIDIARY BRAIN ARMOR® ANNOUNCES NATIONWIDE DISTRIBUTION WITH CVS PHARMACY

Brookfield, WI - (NewMediaWire) – Brookfield, WI - (NewMediaWire) - March 05, 2019 - Trident Brands Inc. (OTCQB: TDNT), today announced that their Brain Armor® brand of neuro-nutrition supplements (soft gels and concentrate) is now available with CVS Pharmacy, the retail division of CVS Health.

Brain health is a rapidly growing segment supported by strengthening consumer awareness and values. Brain Armor® offers a range of clinically-proven supplements formulated to support the brain at every stage of life through targeted neuro-nutrition.

“This nationwide listing with CVS reflects the significant investment Brain Armor® has made in both clinical research and product formulation. The confidence in the Brain Armor® brand has led to numerous partnerships with elite athletes, professional sports teams and organizations – such as the NFL Alumni,” said Anthony Pallante, Chairman & Chief Executive Officer, Trident Brands Inc. “Our entire team is very excited to extend Brain Armor® availability and advance our mission to improve brain health in partnership with CVS”.

About Brain Armor®

Brain Armor is on a mission to improve cognitive health, well-being and performance at every stage of life and on every field of play. Our products are clinically-proven dietary supplements formulated with omega-3, healthy fats and vital nutrients, designed to support structural brain health and performance. Brain Armor products are vegetarian, made in the USA and are a regular part of many professional and elite amateur athlete and team conditioning programs. Brain Armor Inc. is a subsidiary of Trident Brands Incorporated (OTCQB: TDNT – tridentbrands.com).

**Forward-Looking Statements**

This press release contains "forward-looking statements" within the meaning of the "safe-harbor" provisions of the Private Securities Litigation Reform Act of 1995 that are not historical facts. These statements can be identified by the use of forward-looking terminology such as "believe," "expect," "may," "will," "should," "project," "plan," "seek," "intend," or "anticipate" or the negative thereof or comparable terminology, and include discussions of strategy, and statements about industry trends and the Company's future performance, operations, and products. Such statements involve known and unknown risks, uncertainties and other factors that could cause the Company's actual results to differ materially from the results expressed or implied by such statements. Such risks and uncertainties include, without limitation, market acceptance of the Company's forthcoming line of nutritional products; the Company's compliance with applicable Food and Drug Administration regulations; the Company's reliance on third-party contractors to mix and produce its products; the Company's ability to develop an effective marketing strategy; the Company's ability to control advertising and marketing costs; the Company's ability to develop and increase awareness of its forthcoming brands; the success of the Company's marketing focus to retail buyers; the Company's exposure to product liability claims and intellectual property claims from third parties; and the Company's reliance on the expected growth in demand for its products. For a discussion of these and other risks and uncertainties see "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" in the Company's public filings with the SEC. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, there can be no assurance that such expectations will prove to be correct. The Company has no obligation to update the forward-looking information contained in this press release.
